* 912 *Q.*—Sri M. KANDASWAMI PADAYACHI : Will the Hon. the Minister for Revenue be pleased to state—

(*a*) whether the Government have received any report that more than 30 tanks in Ulundurpet firka of South Arcot district breached on account of heavy rains in October 1954;

(*b*) if so, whether any steps have been taken to get the breaches closed; and

(*c*) if not, why?

The Hon. Sri M. A. MANICKVELU :—'' (*a*) Yes. On account of heavy rains in October 1954, 23 Minor Irrigation tanks and 3 P.W.D. tanks breached in Ulundurpet firka of Tirukkoyilur taluk.

'' (*b*) Minor Irrigation tanks—Immediately after the occurrence of the breaches, ring bunds were formed with the help of the ayacutdars and water was stored in the tanks as far as possible. The breach in Kiliyur, one of the minor irrigation tanks taken up for repairs by the Food Production Staff has been closed by the Food Production Department. So far, 17 estimates to the value of Rs. 11,360 have been sanctioned for carrying out the flood repairs. Three more estimates have been sent to the Revenue Divisional Officer, Tirukkoyilur, for inspecting the breached sources and for submitting a report on the adequacy of the provision made in the estimates. The Board has set apart an allotment of Rs. 50,000 for flood works in the district.
